Simply Healthcare Plans, Inc. — A comprehensive plan

What does that mean?

Simply Healthcare Plans, Inc. (Simply) can provide Statewide Medicaid Managed Care Managed Medical Assistance services and Statewide Medicaid Managed Care Long-Term Care (SMMC LTC) services to eligible recipients.

What is SMMC LTC?

SMMC LTC offers a range of long-term services and supports for seniors and persons with disabilities. These benefits help members live independently in their homes for as long as possible. These SMMC LTC services can prevent or delay nursing home admission.

What services does SMMC LTC cover?

SMMC LTC services address members' needs for help living at home or making payments toward residency in an assisted living facility. For members who reside at home, services would include personal care, adult day care, home-delivered meals,

personal emergency response, respite care, home modification, homemaker services, nursing services to include help with medication, and medical equipment and supplies, including incontinence supplies.

Important highlights on SMMC LTC:

• Simply has 16 years of experience managing SMMC LTC benefits.

• Every member is assigned a field case manager who develops a care plan and authorizes SMMC LTC services for members. Ongoing phone and face-to-face contacts ensure a member's needs are being met by the services in place by the case manager.

Simply healthcare

- Members are offered four one-way community transportation trips per month to support their integration into the community.
- Simply assists members with maintaining Medicaid recertification.

Enhanced benefits for members with HIV/AIDs:

- Simply assigns infectious disease physicians as members' PCPs.
- Members are prescribed single-dose HIV medication to improve compliance with regimen.
- Simply medical directors have specialized experience in dealing with HIV/AIDs.
- The Simply Case Management team has:
 - Extensive HIV/AIDs training.
 - Access to internal resources for better collaboration with members.
 - Project AIDS Care (PAC) waiver experience.

Eligibility for SMMC LTC

Age:

Members must be 18 years or older to enroll in SMMC LTC. Members under 65 are required to be eligible for Medicaid by reason of disability.

Clinical eligibility:

Members must meet nursing home level of care requirements. These members may:

- Require some help with five or more activities of daily living (ADL)s.
- Require some help with four ADLs plus supervision or administration of medication.
- Require total help with two or more ADLs.
- Have a diagnosis of degenerative disease or chronic condition requiring daily nursing service.

Call the Department of Elder Affairs hotline at **1-800-963-5337** to get your local Area Agency on Aging.
